PUNE

FILTRATION SYSTEMS

Quality - Our Foremost Priority

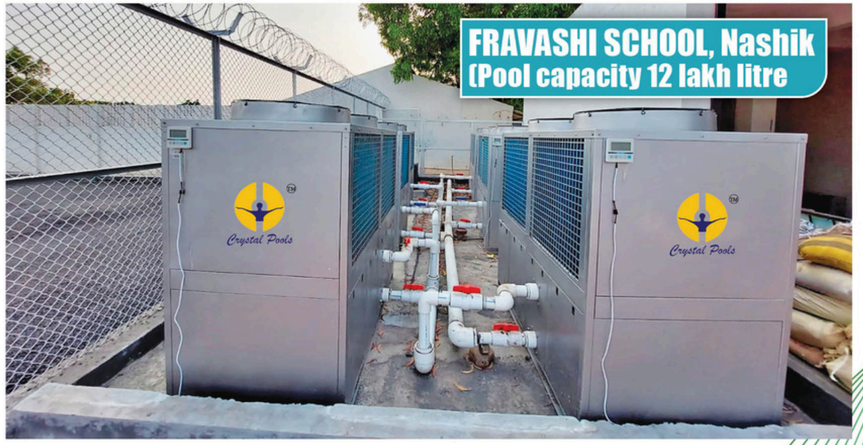
Filtration is an essential operation in the day-to-day optimal functioning of a swimming pool. If you desire a thorough filtering and sparkling clean pool water, you must ensure your pool's filtration system is of top notch quality and delivers consistently high performance.

At *Crystal Pools* we take filtration systems rather seriously. As a one-stop shop for swimming pool filtration system equipment and accessories, we provide state-of-the-art cartridge filters, pipeless filters and specially designed high quality recirculation pumps. We also provide full fittings like wholesale recruitment school training swimming pool ladders made from high quality raw material and complying with rigorous international standards.

HEATING SYSTEM

Your Trusted Source for High Quality Heating Equipment

Crystal Pools was engaged for renovating and installing heating systems at Fravashi International Academy's huge swimming pool having 12 lac litres capacity. We feel pride to mention that this is the first project of its kind in Maharashtra!



HEATING SYSTEM

SAUNA & STEAM

Splendidly Stylish, Exceptionally Efficient

Saunas are therapeutic, heated, enclosed, wood-lined rooms that can help people to unwind and relax. A sauna uses dry heat and is generally hotter than a steam room; a sauna is typically heated to between 70° to 100° Celsius. Apart from infusing a sense of relaxation among users, a sauna offers several health benefits that include improving blood circulation, lowering blood pressure, enhancing skin health, among others. At *Crystal Pools*, we provide classic as well as modern saunas to the leading spa chains and health clubs, with focus on safety and superior efficacy.

Using tested materials and the latest production technology, we also manufacture and supply steam baths to clients in the health and wellness industry.

JACUZZI & BATH TUBS

We are a leading manufacturer of Hydro Massage Bath Tubs and Systems for swimming pools.

We deliver both units as per the highest industrial standards, underlined by a high degree of customization. Our Hydrotherapy units are widely accepted by clients for their robustness, superior finish, and competitive pricing.

THE MAGIC OF MURALS

Transform Your Pool into a Stunning Piece of Art

Want to make your pool look more attractive? With the right murals on your pool floor, you can indeed make a definitive style statement.

At *Crystal Pools*, we bring you inspiring mural ideas that help you achieve harmony with the landscape surrounding your swimming pool. From classical floral patterns to fish, birds, trees and even abstract shapes, we provide bespoke murals that enliven your overall pool design. Handcrafted in high quality ceramic, our murals are not just eye-catching but are also highly durable.
